

# ORDER OF BIG HALLOWE'EN PARADE ANNOUNCED BY THE CHIEF MARSHAL

Body Will Form at Corner of  
Third Street and McKean  
Avenue at Eight O'clock  
Prompt To Finish at Station

## VALLEY TOWNS TO SEND DELEGATIONS

Final preparations have been made for the first big Hallowe'en celebration ever held in Charleroi tonight, and indications are that it will be a monster affair. People from all along the valley have been attracted by the extensive advertising and doubtless there will be one of the largest crowds here for years. The parade promises to be the big affair anticipated. Maskers will be many and a multitudinous variety of costumes will be seen.

The route of parade has been previously announced, but a repetition will not be out of order. The parade will form promptly at 8 o'clock at the corner of Third street and McKean avenue, where all persons wishing to participate will report to George W. Might, the chief marshal. Thence the body will move down McKean avenue to Seventh street, up Seventh street to Washington avenue, out Washington avenue to Third street, down Third street to Fallowfield avenue, down Fallowfield avenue to Seventh street, down Seventh street to McKean avenue, up McKean to the reviewing stand opposite the Pennsylvania railroad station. There the awarding of the prizes for the finest

costumes will be made. The parade will be headed according to present arrangements, by the Washington Avenue Boys' Brigade, in uniform, with the John A. Wood band following. Then will come the Charleroi Boys' Brigade under Capt. Jolliffe, all in costume, then the Firemen's organization to be followed by another band or a drum corps, after which will come the maskers.

Mr. Might will be chief marshal of the parade but he will be assisted by other members of the committee. No rowdyism will be permitted while in line. Ticklers but no confetti will be permitted, but the police will keep careful watch on persons who attempt rough house work.

## FUNERAL OF MISS RUGGLES TODAY

The funeral of Miss Carrie E. Ruggles, daughter of Mr. and Mrs. Jesse Ruggles of Oakland avenue, was held this afternoon, the funeral party leaving the house at 2 o'clock, for the First Presbyterian church, where services were held, conducted by Rev. J. T. Hackett. Interment was in the Charleroi cemetery.

### Adolph on the Job.

Adolph, of course, is having a hand in Hallowe'en and is offering some prizes for the most striking masquerade costumes tonight to be awarded by judges appointed for the occasion, who will look over the maskers as they drop into the Sample Shoe store, where they can be inspected. The details are explained in the advertisement on page 3.

### JOHN ONDIC NOW THINKS HE WAS REAL DISCOVERER

Man Who Adopted Charleroi  
Automobiles Says It Was  
Warm at North Pole

John Ondic, a Slav, sent up from Russia on a charge of surety of the peace, preferred by his wife, was on Saturday found to be mentally unbalanced and was taken to Dixmont. On Wednesday, while in Charleroi, Ondic became possessed with the belief that he owned an automobile, and every auto he saw he imagined belonged to him and he would try to take possession.

When examined at the jail Saturday morning by a commission in lunacy, Ondic declared he was with Cool when the latter reached the top of the earth. He gave a minute description of his supposed journey, but insisted Arctic weather was "awful hot."

Dr. A. E. Thompson, Attorney John R. McCleight and James V. Boyd were the members of the commission.

### EVANGELIST HUSTON PREACHES TO CROWDS

String Service for Children  
Particularly Inter-  
esting

Christian church yesterday afternoon for children was largely attended and Dr. F. S. Huston, the evangelist made quite an interesting talk. He tied up a boy with the strings that were brought, and in doing so broke six. These he represented as broken habits. Dr. Huston preached to a crowded house last night on the topic "Preeminence of Christ." His topic to-night will be "Standard of Faith."

### HOW TO VOTE ON AMENDMENTS

Shall Mark All That is Necess-  
ary to Signify Assent  
or Dissent

In order to vote a straight party ticket and also on all of the ten amendments to the constitution and the schedule to be passed upon at the November election, twelve marks will be necessary. Each amendment must be voted for separately by making a cross mark after the word "Yes" or "No," in connection with it, and also after the schedule. A cross within the square opposite the party name means a vote for all the candidates of the party, but does not mean anything so far as the amendments and the schedule are concerned.

Will Join Company.

Grover C. Teagarden left on Saturday for Boston, Mass., where he will join the Great Rossmore company, playing repertoire in the larger cities. Teagarden will take a prominent part.

He was with this company before.

### SIXTEEN POLICE PATROL THE TOWN DURING EVENING

Paraders Will be Guarded  
From Rowdyism and  
Rough House Work

There will be strict police regulations for tonight, and no rowdyism or "rough house" work will be permitted. There will be nine police in uniform and seven in plain clothes, so that the town will be well protected, and any person caught removing signs, bill boards, outhouses, wagons, or otherwise doing any damage, will be arrested. They will be taken to the lockup, and compelled to spend the entire night there, no bond to be taken for their appearance at a hearing. The police will not tolerate any interference with maskers who are taking part in the parade, and while the town will be given over to jollification, no rude conduct that will in any way cause trouble will be permitted. This will include the snatching of masks from the faces of participants in the parade. Ticklers will be allowed on the streets, but not confetti.

### WILLIAM LITTLE OUT FOR POSITION

William Little of Baird has decided to enter the race against Francis Feehan as president of District No. 5, United Mine Workers. His name will be placed on the ballot for the consideration of the members of the order at the forthcoming election. Mr. Little has also been nominated for National Board Member from this District. He is well known in mining circles, and has been very active in promoting the interests of the U. M. A. throughout this part of the State.

President Francis Feehan, the present incumbent, is also a candidate for re-election. Mr. Feehan's administration has been generally approved by his constituency and it has been the opinion that he could be elected without opposition, until Mr. Little's candidacy was announced.

### WASHINGTON DEN RAIDED BY POLICE

Chief of Police William Dulaney of Washington and four officers raided a gambling house, alleged to have been conducted by "Chape" Cooper, a negro. Thirty-five visitors, including a dozen well known business and professional men, were found. The room had four windows and the glass in each was smashed in a wild fight to escape arrest. Ten visitors and the alleged proprietor were captured, the others jumping to the street. Before Burgess W. W. Hoyt all the prisoners gave forfeits for hearings today.

Notice to Brigade.

The Boys Brigade is to meet at Capt. Jolliffe's home in costume for the parade at not later than 7:15 o'clock tonight.

Capt. R. D. Jolliffe, Commander.

L. C. B. A. Euchre.

Wednesday evening in P. H. C. hall the L. C. B. A. will give its second public euchre. Nine favors will be awarded. Coffee and sandwiches served after the euchre. Playing begins at 9 o'clock sharp. Every body invited. This is a most pleasant and inexpensive way to spend an evening and at the same time become acquainted with nice congenial people.

Tuesday evening the Ladies Auxiliary of the Monessen-Charleroi Hospital will meet at the Merchants Association rooms. At this time reports of Tag Days will be made.

Miss Harriett Phillips, who is a student at Beaver College, was a guest at the home for election.

### IMPORTANT CHANGES MADE IN PITTSBURG RAILWAY SCHEDULE

Slight Reduction in Running  
Time Will be Made on  
This Line

Important changes in the schedules of the cars of the Pittsburg Railways company on the Charleroi and Washington routes, effective Monday, November 1, were announced yesterday. The cars will leave the Pittsburg terminal on the even hour and half hour instead of a minute or two before or a few minutes after the hour and half hour, and the running time to Charleroi will be reduced. Washington and Charleroi cars will leave the Union Depot every morning at 5 o'clock and will run every hour thereafter until 10 o'clock in the evening, cars for theatre patrons leaving at 11:30 p. m. Additional Charleroi cars will leave the Union Depot at 8:30 o'clock each morning and every hour thereafter until 5:30 o'clock each evening. Cars will be run every half hour on the Washington route on Saturdays and Sundays until further notice. Close connections will be made at Washington Junction between Charleroi and Washington cars running both ways. The Charleroi route is as follows:

It cost two Payne tax receipts yesterday morning for raising a rough house in the Bank of Charleroi hall at a dance Saturday evening. When the trouble started Special Officer Conaway tried to quell it, but was unable. He then called in Chief Albright and Officer McElroy. Then there was a small sized riot. There were a number of Fayette City fellows there, and they blocked the doorway, and swore that they would not see the men taken to the lockup. Chief Albright secured Officers Osborne and Fagan, then with maces drawn they went to the scene of the trouble and landed their men. Yesterday morning the two were glad to get off with the fine.

### NUMBER OF TAGS SOLD ON SATURDAY

"Tag Day" Today and This  
Evening for Benefit  
of Hospital

Tag Day Saturday was quite a success. It was held by the Ladies Auxiliary of the Monessen-Charleroi Hospital and quite a snug sum was realized, the total amount not being known however. The sale of tags will be continued today and tonight, in the effort to raise funds for the hospital.

### Card of Thanks.

We wish to thank the many friends and neighbors who showed us so many courtesies during the recent sickness and death of our daughter.

642 Mr. and Mrs. Bert Mitchell.

The rummage sale by the ladies of the First Presbyterian church last week was the most successful one they have ever held. The sales amounted to \$180, and it was only lack of more stuff that prevented the figure from being much larger.

Saturday night brought large crowds of people to town for the purpose of trading and to "see the sights."

The stores were all busy, while the electric theatres had to give extra shows to accommodate the crowds.

The family of Prof. L. T. Daniels, teacher of music in the schools here, arrived on Saturday from Canton, Ohio, and are making their home at the Wilbur Hotel.

Miss Jean Whitehead, who is a student at Beaver College, was a guest at the home for election.

### CONGRESSMAN TENER STILL THINKS OHIO SHOULD COME FIRST

Letter Received From Him in  
Which He Tells of Trip  
Down Mississippi

Congressman J. K. Tener, who accompanied President Taft's party down the Mississippi river in the interests of proposed inland waterways improvements, writes that he is more than ever committed to the policy of the Ohio river improvements first. He further states that the proposed policy for improvement of the Mississippi is not so comprehensible as that of the Ohio and no one on the trip was willing to commit themselves in its favor. On the other hand many, including President Taft, was outspoken in favor of the policy for the improvement of the Ohio river.

Congressman Tener's position on the Rivers and Harbors committee will give him a commanding position in the project.

### Acheson Has Made a Futile Attempt to Discredit the Organization and Thus Break Up Harmony

### MOFFITT'S FRIENDS BECOMING ACTIVE

In the absence of intelligent estimates from many of the precinct chairmen throughout the county R. G. Miller, Esq., chairman of the Republican county committee finds it difficult to base an estimate as to the result of tomorrow's election. It is believed, however, that the usual off year Republican majority will prevail, and that all the candidates will get the usual percentage majorities. Basing an estimate on the results of other off years it is believed that the Republican ticket will receive from 2,500 to 3,000 majority in the county, from the State ticket down.

The Moffitt-Turner episode has had the effect of stirring Moffitt's friends to greater activity all over the county, and the Democratic leaders acknowledge that it was a mistake on their part for the county organization to attack Controller Moffitt for awarding the printing of the ballots to the lowest bidder as the law requires, even if the successful bidder is not acceptable in certain quarters. Dozens of active workers throughout the county are now hustling for Mr. Moffitt and the Republican ticket who would not have made any effort if the aforesaid circular had not been distributed.

It was the statement that Franklin tax receipts had been issued wholesale in Monongahela whose city charter brings that municipality under the jurisdiction of the registry law for cities. As the registration there was exceedingly light, owing to so little interests being taken in the election, it was alleged in certain quarters that Monongahela has been polling a fraudulent vote right along and that the vote that had been polled in the past in excess of the present registration has been supplied by issuing fraudulent tax receipt wholesale. It was intimated that some startling disclosures would be made, but the whole line of accusation has vanished in thin air.

While the Washington Observer and Reporter have been making a desperate effort to induce Republican voters to bolt the State ticket for no other reason than to help E. F. Acheson satisfy a private revenge, there is no indication there will be any defection.

### Dedicate Thanksgiving.

While the new Turner hall at Second street and Dooner avenue in Monessen was occupied last Sunday afternoon for the first time, it will not be formally dedicated until Thanksgiving evening November 25. Preparations are being made for elaborate ceremonies in this connection.</

Vote Tomorrow.

While the old saying, "Vote early  
and often," cannot be practiced in the  
latter sense, it can in the first, and  
should be made a matter of conscience  
with every elector qualified to cast  
his ballot tomorrow. Every patriotic  
voter should not only cast his own  
ballot for the party of his choice, but  
he should likewise devote a portion  
of his time in getting his neighbor to  
turn out and vote who, by reason of  
indifference, has not thought of the  
election or the civic responsibilities  
it involves. Christian citizenship be-  
gins at the polls.

There are many young men who are  
qualified to cast their first ballot to-  
morrow. Such should exercise this  
privilege most religiously, as on the

coming generation depends the regen-  
eration of public and civic affairs. It  
is the young men who must take the  
initiative and who, by their ballots,  
will determine the future course of  
the ship of state through the maze of  
local, State and National issues. The  
young men of the present are starting  
right, and all that remains for them  
is "get on the job" and stay there  
during the election. If a large vote  
is polled the verdict is sure to be  
right. It will represent the will of  
the majority, whereas most elections  
are determined by the will of a minor-  
ity.

## The County Ticket.

The Republican county ticket to be  
voted for at the election tomorrow is  
an unusually strong one, and should com-  
mand the special attention of Char-  
leroi voters, from the fact that a fellow  
townsman, John H. Moffitt, is a can-  
didate for county controller. Every

voter in Charleroi should have enough  
local pride to give his fellow town-  
man a complimentary vote in order to  
show, if for no other reason, that civic  
pride and unity of purpose is the pre-  
vailing sentiment in public affairs in

Charleroi.

J. C. Sutherland, the candidate for  
recorder, is also a strong and worthy  
candidate. He is a member of a rep-  
resentative family who have a long  
line of honorably ancestry in the an-  
nals of good citizenship. He is a

young man who, by energy and abili-  
ty, has made a place for himself in  
business affairs. He was fairly and  
honorably nominated by a popular vote

of the people, and should command the  
united support of all at the polls to-  
morrow. The two other candidates,

R. C. Buchanan for poor director, and  
John W. Dague for jury commissioner  
are also worthy and capable men, and  
were likewise placed in nomination

by the vote of their party electors.  
There is no reason for cutting any of

these candidates. All were chosen

on account of their fitness and ability,

and no voter, irrespective of party

affiliations, will make a mistake in

casting his ballot for the entire Re-

publican ticket.

## The Amendments.

Every voter should mark a cross

after the word "yes" in each of the  
proposed amendments to the State  
constitution at the election tomorrow,  
with the exception of the seventh.  
This amendment gives the Legislature  
the power to pass an act providing  
for the appointment of the election  
officers instead of electing them by the  
people. As this does not seem to be  
a desirable condition, it would be well  
to mark a cross after the word "no"  
in voting on the seventh amendment.

The other amendments are necessary  
to change the elections so that both  
the municipal and general elections  
will come in the fall. By this change  
much of the political agitation will be  
eliminated, besides saving money for  
the taxpayers. Such a change will  
save from ten to fifteen thousand dollars  
in the county each year. Therefore  
vote "yes" for all the amendments  
with the exception of the seventh. On this vote "no."

## ELECTRIC SPARKS

a thousand for gas. Thanks.

tance in a balloon and told to fire at

The other day a man, mean thing,  
found a bank book up at Fayette City,  
with a woman's name in it and a card  
bearing the words "Smile, D—You,  
Smile." Of course he reported it, and  
now the woman is afraid to claim her  
pass book, so t's said. Prescription

## THEY INJURE CHILDREN

### Ordinary Cathartics and Pills and Harsh Physics Cause Distress- ing Complaints.

You cannot be over-careful in the  
selection of medicine for children.  
Only the very gentlest bowel medicine  
should ever be given, except in emer-  
gency cases. Ordinary pills, cathar-  
tics and purgatives are apt to do more  
harm than good. They cause griping,  
nausea and other distressing after-  
effects that are frequently health-de-  
stroying and a life lasting annoyance.

We personally recommend and guar-  
antee Rexall Orderlies as the safest  
and most dependable remedy for con-  
stipation and associate bowel disor-  
ders. We have such absolute faith

in the virtues of this remedy that we  
sell it on our guarantee of money back

in every instance where it fails to give  
entire satisfaction, and associate bow-  
el disorders. We have such absolute

faith in the virtues of this remedy  
that we sell it on our guarantee of  
money back in every instance where it

fails to give entire satisfaction, and  
we urge all, instead of such medicine,  
to try it at our risk.

Rexall Orderlies contain an entirely

new ingredient which is odorless,

bit the ground if taken up a short dis-

tant and colorless. As an active  
agent it embraces the valuable  
qualities of the best known intestinal  
regulator tonics.

Rexall Orderlies are eaten, like  
candy. They are particularly prompt  
and agreeable in action; may be taken  
at any time, day or night; do not  
cause diarrhoea, nausea, griping, ex-  
cessive looseness or other undesirable  
effects. They have a very natural  
action upon the glands and organs  
with which they come in contact, act  
as a positive and regulative tonic  
upon the relaxed muscular coat of the

bowel and its dry mucous lining; re-  
move irritation, overcome weakness,  
tone and strengthen the nerves and  
muscles and restore the bowels and  
associate organs to more vigorous and  
healthy activity.

Rexall Orderlies completely relieve

constipation, except when of a surgical

character. They also tend to over-  
come the necessity of constantly tak-  
ing laxatives to keep the bowels in  
normal condition.

## RULE OF THE SEA.

Old Whaling Law Applied to a Twice  
Caught Cod.

That etiquette is observed among  
the fisherman that journey to the fish-  
ing banks was discovered by an ama-  
teur angler on his first trip.

The amateur hooked a codfish, but  
his line parted just as the fish was  
above the water. Back fell the cod-  
fish, carrying with him two slukers  
and the hook.

Twenty minutes later another angler  
cried out that he had captured a cod  
with two slukers and a hook. The  
angler went up to the angler, who  
appeared to be an old salt, and asked  
for his hook and slukers, which had  
his name stamped on them. He was  
surprised when the old salt told him  
to take the fish also.

According to the rules generally fol-  
lowed on the fishing boats, the second  
angler was entitled to the fish, but the  
hook and slukers should be returned  
to their owner. The old angler ex-  
plained why he wanted to give up the  
fish.

It seems that he had followed the  
sea a great part of his life. When a  
young man he was a whaler, and, ac-  
cording to whaling law, a dead whale  
belongs to the ship whose name ap-  
pears on the harpoon that killed it.

Therefore the old salt figured that the  
amateur owned the codfish he had  
taken.—New York Sun.

Louisville, Ky. — "Lydia E. Pinkham's Vegetable Compound has certainly done me a world of good and I cannot praise it enough. I suffered from irregularities, dizziness, nervousness, and a severe female trouble. Lydia E. Pinkham's Vegetable Compound has restored me to perfect health and kept me from the operating table. I will never be without this medicine in the house." — Mrs. SAM LEE, 3528 Fourth St., Louisville, Ky.

Another Operation Avoided. Adrian, Ga. — "I suffered untold misery from female troubles, and my doctor said an operation was my only chance, and I dreaded it almost as much as death. Lydia E. Pinkham's Vegetable Compound completely cured me without an operation." — LENA V. HENRY, R. F. D. 3.

Thirty years of unparalleled service confirms the power of Lydia E. Pinkham's Vegetable Compound to cure female diseases. The great volume of unsolicited testimony constantly pouring in proves conclusively that Lydia E. Pinkham's Vegetable Compound is a remarkable remedy for those distressing feminine ills from which so many women suffer.

## (Continued from First Page) THOUGHT REPUBLICANS WILL CARRY COUNTY

to speak of. To fan a flame of discord the Observer has gone to the extreme of publishing the Democratic plate matter sent out by the State headquarters, notwithstanding the slurs cast by that paper on Republican papers elsewhere in the county for publishing similar matter sent out by the State Republican campaign managers. The people do not forget the campaign of 1906, when Mr. Acheson was a candidate for Congress, and the Lincoln Republicans fused with the Democrats in an effort to defeat him, how the Observer made frantic appeals to all Republicans to be regular and vote the State ticket, even when the capitol graft scandal was an issue. Now, when there is not the slightest breath of scandal, and Governor Stuart's administration is commanding the approval of both friends and political foes alike. Mr. Acheson's incomprehensible attitude commands little attention. It will probably have the effect of causing more work to be done at the polls to get the vote out.

## CIRCUS CHILDREN.

The Making of Acrobats Begins at an Early Age.

It is nothing unusual for the larger circuses to carry thirty and forty children, ranging all the way from mere babies to boys and girls of fifteen and sixteen years of age. The majority are traveling with their parents, both the father and mother doing daily duty in the ring, and while often they are trained to follow in the steps of their elders they are seldom allowed to perform in public.

It is a common belief among circus men that the performer whose training is not started until after the age of six will seldom make a distinctive record. Following the afternoon show I often saw groups of boys, some of whom could not have been over four and five years old, practicing rudimentary somersaults and hand springs, while their parents looked on with a gratified smile. These were the families of the circus aristocracy, who treasure the records of their ancestors with the pride of a son in his father's sword and who see no more inspiring calling for their own children than that of the great white canvas.

Not that their education is neglected in other respects. Several of the families often hire an instructor—perhaps one of the performers who has the time and ability for such work—to coach their children in the standard studies. One circus has a traveling school for the youngsters. If they are to be acrobats, they are to be educated acrobats.—Bohemian Magazine.

## ORDER OF BIG HALLOWE'EN PARADE ANNOUNCED BY THE CHIEF MARSHAL

Body Will Form at Corner of  
Third Street and McKean  
Avenue at Eight O'clock  
Prompt To Finish at Station

### VALLEY TOWNS TO SEND DELEGATIONS

Final preparations have been made for the first big Hallowe'en celebration ever held in Charleroi tonight, and indications are that it will be a monster affair. People from all along the valley have been attracted by the extensive advertising and doubtless there will be one of the largest crowds here for years. The parade promises to be the big affair anticipated. Maskers will be many and a multitudinous variety of costumes will be seen.

The route of parade has been previously announced, but a repetition will not be out of order. The parade will form promptly at 8 o'clock at the corner of Third street and McKean avenue, where all persons wishing to participate will report to George W. Might, the chief marshal. Thence the body will move down McKean avenue to Seventh street, up Seventh street to Washington avenue, out Washington avenue to Third street, down Third street to Fallowfield avenue, down Fallowfield avenue to Seventh street, down Seventh street to McKean avenue, up McKean to the reviewing stand opposite the Pennsylvania railroad station. There the awarding of the prizes for the finest and most comical dressed persons will take place.

The parade will be headed according to present arrangements, by the Washington Avenue Boys' Brigade, in uniform, with the John A. Wood band following. Then will come the Charleroi Boys' Brigade under Capt. Jolliffe, all in costume, then the Firemen's organization to be followed by another band or a drum corps, after which will come the maskers.

Mr. Might will be Chief marshal of the parade but he will be assisted by other members of the committee. No rowdyism will be permitted while in line. Ticklers but no confetti will be permitted, but the police will keep careful watch on persons who attempt rough house work.

### FUNERAL OF MISS RUGGLES TODAY

The funeral of Miss Carrie E. Ruggles, daughter of Mr. and Mrs. Jesse Ruggles of Oakland avenue, was held this afternoon, the funeral party leaving the house at 2 o'clock for the First Presbyterian church, where services were held, conducted by Rev. J. T. Hackett. Interment was in the Charleroi cemetery.

Adolph on the Job.

Adolph, of course, is having a hand in Hallowe'en and is offering some prizes for the most striking masquerade costumes tonight to be awarded by judges appointed for the occasion who will look over the maskers as they drop into the Sample Shoe store, where they can be inspected. The details are explained in the advertisement on page 3.

### JOHN ONDIC NOW THINKS HE WAS REAL DISCOVERER

### MAN WHO ADOPTED CHARLEROI AUTOMOBILES SAYS IT WAS WARM AT NORTH POLE

John Ondic, a Slav, sent up from Roscoe on a charge of surety of the peace, preferred by his wife, was on Saturday found to be mentally unbalanced and was taken to Dixmont. On Wednesday, while in Charleroi, Ondic became possessed with the belief that he owned an automobile, and every auto he saw he imagined belonged to him and he would try to take possession.

When examined at the jail Saturday morning by a commission in lunacy, Ondic declared he was with Cook when the latter reached the top of the earth. He gave a minute description of his supposed journey, but insisted Arctic weather was "awful hot."

Dr. A. E. Thompson, Attorney John R. McClelland and James V. Boyd were the members of the commission.

### EVANGELIST HUSTON PREACHES TO CROWDS

### STRING SERVICE FOR CHILDREN PARTICULARLY INTER- ESTING

The string service at the First Christian church yesterday afternoon for children was largely attended and Dr. F. S. Huston, the evangelist made quite an interesting talk. He tied up a boy with the strings that were brought, and in doing so broke six. These he represented as broken habits. Dr. Huston preached to a crowded house last night on the topic "Preeminence of Christ." His topic to-night will be "Standard of Faith."

### HOW TO VOTE ON AMENDMENTS

### SHALL MARK ALL THAT IS NECESSARY TO SIGNIFY ASSENT OR DISSENT

In order to vote a straight party ticket and also on all of the ten amendments to the constitution and the schedule to be passed upon at the November election, twelve marks will be necessary. Each amendment must be voted for separately by making a cross mark after the word "Yes" or "No," in connection with it, and also after the schedule. A cross within the square opposite the party name means a vote for all the candidates of the party, but does not mean anything so far as the amendments and the schedule are concerned.

Will Join Company.

Grover C. Teagarden left on Saturday for Boston, Mass., where he will join the Great Rossman company, playing repertoire in the larger cities. Teagarden will take a prominent part. He was with this company before.

### SIXTEEN POLICE PATROL THE TOWN DURING EVENING

### PARADES WILL BE GUARDED FROM ROWDYISM AND ROUGH HOUSE WORK

There will be strict police regulations for tonight, and no rowdyism or "rough house" work will be permitted. There will be nine police in uniform and seven in plain clothes, so that the town will be well protected, and any person caught removing signs, bill boards, outhouses, wagons, or otherwise doing any damage, will be arrested. They will be taken to the lockup, and compelled to spend the entire night there, no bond to be taken for their appearance at a hearing. The police will not tolerate any interference with masters who are taking part in the parade, and while the town will be given over to jollification, no rude conduct that will in any way cause trouble will be permitted. This will include the snatching of masks from the faces of participants in the parade. Ticklers will be allowed on the streets, but not confetti.

### WILLIAM LITTLE OUT FOR POSITION

William Little of Baird has decided to enter the lists against Francis Feehan as president of District No. 5, United Mine Workers. His name will be placed on the ballot for the consideration of the members of the order at the forthcoming election. Mr. Little has also been nominated for National Board Member from this District. He is well known in mining circles, and has been very active in promoting the interests of the U. M. of A. throughout this part of the State.

President Francis Feehan, the present incumbent, is also a candidate for re-election. Mr. Feehan's administration has been generally approved by his constituency and it has been the opinion that he could be elected without opposition, until Mr. Little's candidacy was announced.

### WASHINGTON DEN RAIDED BY POLICE

Chief of Police William Dulaney of Washington and four officers raided a gambling house, alleged to have been conducted by "Chape" Cooper, a negro. Thirty-five visitors, including a dozen well known business and professional men, were found. The room had four windows and the glass in each was smashed in a wild fight to escape arrest. Ten visitors and the alleged proprietor were captured, the others jumping to the street. Before Burgess W. W. Hoyt all the prisoners gave forfeits for hearings today.

Notice to Brigade.

The Boys Brigade is to meet at Capt. Jolliffe's home in costume for the parade at not later than 7:15 o'clock tonight.

Capt. R. D. Jolliffe, Commander.

L. C. B. A. Euchre.

Wednesday evening in P. H. C. hall the L. C. B. A. will give its second public euchre. Nine favors will be awarded. Coffee and sandwiches served after the euchre. Playing begins at 9 o'clock sharp. Everybody invited. This is a most pleasant and inexpensive way to spend an evening and at the same time becomes acquainted with nice congenial people.

Tuesday evening the Ladies Auxiliary of the Monessen-Charleroi Hospital will meet at the Merchants Association rooms. At this time reports of Tag Days will be made.

Miss Harriett Phillips, who is a student at Beaver College, was a guest at the home for election.

### IMPORTANT CHANGES MADE IN PITTSBURG RAILWAY'S SCHEDULE

### SLIGHT REDUCTION IN RUNNING TIME WILL BE MADE ON THIS LINE

Important changes in the schedules of the cars of the Pittsburg Railways company on the Charleroi and Washington routes, effective Monday, November 1, were announced yesterday. The cars will leave the Pittsburg terminal on the even hour and half hour instead of a minute or two before or a few minutes after the hour and half hour and the running time to Charleroi will be reduced. Washington and Charleroi cars will leave the Union Depot every morning at 5 o'clock and will run every hour thereafter until 10 o'clock in the evening, cars for theatre patrons leaving at 11:30 p.m. Additional Charleroi cars will leave the Union Depot at 8:30 o'clock each morning and every hour thereafter until 5:30 o'clock each evening. Cars will be run every half hour on the Washington route on Saturdays and Sundays until further notice. Close connections will be made at Washington Junction between Charleroi and Washington cars running both ways. The Charleroi route is as follows:

Southbound—Union Depot terminal, 5 a.m.; Fifth avenue and Smithfield street, 5:05; Carson street, 5:10; Tunnel office, 5:14; Siding No. 1, 5:18; South Bank, 5:23; Fair Haven, 5:26; Cooley Siding, 5:30; Castle Shannon, 5:33; Washington Junction, 5:35; New Summit, 5:39; Library, 5:45; Carson street, 5:51; Eldora Park, 5:56; Black Diamond, 5:57; Mingo School 6 o'clock; Riverview, 6:08; Seventh Street, Monongahela City, 6:15; Catsburg, 6:21; Black Diamond, 6:27; Eldora Park, 6:34; Lock No. 4, 6:39; Charleroi Car Barn, 6:42; Fifth street, Charleroi, 6:45; Belle Vernon, 6:50; Alienville, 7 o'clock.

### PLANNING SERVICES FOR WINTER SEASON

The Monongahela Y. M. C. A. is planning for some religious extension work this winter. Shop meetings in all the factories that will permit them and a men's meeting once a month in one of the smaller coal towns within a radius of six to ten miles from that town. The first of these meetings will be held in the Sunnyside school house Sunday, November 7th, at 3 o'clock. F. E. Wood will speak on the subject "Men." Everyone who can go is invited.

The rummage sale by the ladies of the First Presbyterian church last week was the most successful one they have ever held. The sales amounted to \$150, and it was only lack of more stuff that prevented the figure from being much larger.

Saturday night brought large crowds of people to town for the purpose of trading and to "see the sights." The stores were all busy, while the electric theatres had to give extra shows to accommodate the crowds.

The family of Prof. I. T. Daniels, recently deceased in the schools here, arrived on Saturday from Canton, Ohio, and are making their home at the Wilbur Hotel.

Miss Jean Whitehead, who is a student at Beaver College, was a guest at the home for election.

### CONGRESSMAN TENER STILL THINKS OHIO SHOULD COME FIRST

### LETTER RECEIVED FROM HIM IN WHICH HE TELLS OF TRIP DOWN MISSISSIPPI

Congressman J. K. Tener, who accompanied President Taft's party down the Mississippi river in the interests of proposed inland waterways improvements, writes that he is more than ever committed to the policy of the Ohio river improvements first. He further states that the proposed policy for improvement of the Mississippi is not so comprehensible as that of the Ohio and no one on the trip was willing to commit themselves to the favor of the Ohio river.

Congressman Tener's position on the Rivers and Harbors committee will give him a commanding position in the project.

### FAYETTE CITY MEN IN RIOT

### SORRY THE "MORNING AFTER" WHEN THEY ARE FINED \$11 AND COSTS

It cost two Fayette City men \$11.85 yesterday morning for raising a rough house in the Bank of Charleroi hall at a dance Saturday evening. When the trouble started Special Officer Conway tried to quell it, but was unable. He then called in Chief Albright and Officer McElroy. Then there was a small sized riot. There were a number of Fayette City fellows there, and they blocked the doorway, and swore that they would not see the men taken to the lockup. Chief Albright secured Officers Osborne and Fagan, then with maces drawn they went to the scene of the trouble and landed their men. Yesterday morning the two were glad to get off with the fine.

### NUMBER OF TAGS SOLD ON SATURDAY

### "TAG DAY" TODAY AND THIS EVENING FOR BENEFIT OF HOSPITAL

Tag Day Saturday was quite a success. It was held by the Ladies Auxiliary of the Monessen-Charleroi Hospital and quite a snug sum was realized, the total amount not being known however. The sale of tags will be continued today and tonight, in the effort to raise funds for the hospital.

Acheson Has Made a Futile Attempt to Discredit the Organization and Thus Break Up Harmony

### MOFFITT'S FRIENDS BECOMING ACTIVE

In the absence of intelligent estimates from many of the precinct chairmen throughout the county R. G. Miller, Esq., chairman of the Republican county committee finds it difficult to base an estimate as to the result of tomorrow's election. It is believed, however, that the usual off year Republican majority will prevail, and that all the candidates will get the usual percentage majorities. Basing an estimate on the results of other off years it is believed that the Republican ticket will receive from 2,500 to 3,000 majority in the county, from the State ticket down.

The Moffitt-Turner episode has had the effect of stirring Moffitt's friends to greater activity all over the county, and the Democratic leaders acknowledge that it was a mistake on their part for the county organization to father the distribution of the circulars attacking Controller Moffitt for awarding the printing of the ballots to the lowest bidder as the law requires, even if the successful bidder is not acceptable in certain quarters. Dozens of active workers throughout the county are now hustling for Mr. Moffitt and the Republican ticket who would not have made any effort if the aforesaid circular had not been distributed.

Another attempt at a "trollbach" was the statement that fraudulent tax receipts had been issued wholesale in Monongahela whose city charter brings that municipality under the jurisdiction of the registry law for cities. As the registration there was exceedingly light, owing to so little interest being taken in the election, it was alleged in certain quarters that Monongahela has been polling a fraudulent vote right along and that the vote that had been polled in the past in excess of the present registration has been supplied by issuing fraudulent tax receipt wholesale. It was intimated that some startling disclosures would be made, but the whole line of accusation has vanished in thin air.

While the Washington Observer and Reporter have been making a desperate effort to induce Republican voters to bolt the State ticket for no other reason than to help E. F. Acheson satisfy a private revenge, there is no indication there will be any defection (Continued on fourth page.)

### DEDICATE THANKSGIVING.

While the new Turner hall at Second street and Donner avenue in Monessen was occupied last Sunday afternoon for the first time, it will not be formally dedicated until Thanksgiving evening November 25. Preparations are being made for elaborate ceremonies in this connection.

### ASKING RIGHTS OF WAY.

Assemblyman John B. Holland, and others are busy at the present time securing rights of way for a trolley line between Canonsburg and McDonald. It is understood that the men back of the move intend to push the line to completion as soon as possible, and that the trolley line will not be on paper merely.

## Vote Tomorrow.

While the old saying, "Vote early and often," cannot be practiced in the latter sense, it can in the first, and should be made a matter of conscience with every elector qualified to cast his ballot tomorrow. Every patriotic voter should not only cast his own ballot for the party of his choice, but should likewise devote a portion of his time in getting his neighbor to turn out and vote who, by reason of indifference, has not thought of the election or the civic responsibilities it involves. Christian citizenship begins at the polls.

There are many young men who are qualified to cast their first ballot tomorrow. Such should exercise this privilege most religiously, as on the

coming generation depends the regeneration of public and civic affairs. It is the young men who must take the initiative and who, by their ballots, will determine the future course of the ship of state through the maze of local, State and National issues. The young men of the present are starting right, and all that remains for them is "get on the job" and stay there during the election. If a large vote is polled the verdict is sure to be right. It will represent the will of the majority, whereas most elections are determined by the will of a minority.

## The County Ticket.

The Republican county ticket to be voted for at the election tomorrow is an unusually strong one, and should command the special attention of Charleroi voters, from the fact that a fellow townsmen, John H. Moffitt, is a candidate for county controller. Every voter in Charleroi should have enough

pride to give his fellow townsmen a complimentary vote in order to show, if for no other reason, that civic pride and unity of purpose is the prevailing sentiment in public affairs in Charleroi.

J. C. Sutherland, the candidate for recorder, is also a strong and worthy candidate. He is a member of a representative family who have a long line of honorably ancestry in the annals of good citizenship. He is a young man who, by energy and ability, has made a place for himself in business affairs. He was fairly and honorably nominated by a popular vote of the people, and should command the united support of all at the polls tomorrow. The two other candidates, R. C. Buchanan for poor director, and John W. Dague for jury commissioner, are also worthy and capable men, and were likewise placed in nomination by the vote of their party electors.

There is no reason for cutting any of these candidates. All were chosen on account of their fitness and ability, and no voter, irrespective of party affiliations, will make a mistake in casting his ballot for the entire Republican ticket.

## The Amendments.

Every voter should mark a cross

after the word "yes" in each of the constitution at the election tomorrow, with the exception of the seventh. This amendment gives the Legislature the power to pass an act providing for the appointment of the election officers instead of electing them by the people. As this does not seem to be a desirable condition, it would be well to mark a cross after the word "no" in voting on the seventh amendment.

The other amendments are necessary to change the elections so that both the municipal and general elections will come in the fall. By this change much of the political agitation will be eliminated, besides saving money for the taxpayers. Such a change will save from ten to fifteen thousand dollars in the county each year. Therefore vote "yes" for all the amendments with the exception of the seventh. On this vote "no."

## ELECTRIC SPARKS

The Canonsburg Notes informs us that Monongahela pays only 10 cents a thousand for gas. Thanks.

Some fellow they call Griffiths got up an All-American baseball team, but left out Hans Wagner. You ill-bred wretch. Is it possible you think the mighty Hans was never naturalized?

Charleroi declares that it is not as tough as reported but with an average of 60 arrests per month it is doing quite well—Monongahela Times. Suppose you look over the Monongahela records, and see if you do not find an average of more than 60 per month.

Uncle Sam can't stand it. Even he has

gotten into the notion of raising prices,

along with those that control the flour,

markets, etc., and has boosted the

price of registration.

Candy in boxed form can be sent

through the mails, alright, but the

average man would rather send his

best girl something that has less bulk.

Hardluck stories of nimrods are

common nowadays, where men wander,

to find no game to be had for the asking.

It is most noticeable that he

complainers are the ones that couldn't

hit the ground if taken up a short dis-

tance in a balloon and told to fire at old mother earth.

The other day a man, mean thing found a bank book up at Fayette City, with a woman's name in it and a card bearing the name "Sister, D. V. Smile." Of course he reported it, and now the woman is afraid to claim her pass book, so it is said. Prescription

—Get a new pass book and don't make

it a place for a collection of cuss

words.

Monongahela is being troubled with a handbill nuisance. That is, bills

are being tacked to telephone poles

there. Why not try putting the ca-

bles and such under ground.

Webster says that measles means

infected with measles. Suppose then

that wouldn't be a strong term to ap-

ply to some of these grafters politi-

cians that are continually dabbling in

places where they have no business.

An aged bigamist says that he has

had so many wives that he can't keep

track of them. He might have adopt-

ed the method employed in large

plants—number them.

## THEY INJURE CHILDREN

Ordinary Cathartics and Pills and

Harsh Physics Cause Distress-

ing Complaints.

You cannot be over-careful in the selection of medicine for children. Only the very gentlest bowel medicine

should ever be given, except in emer-

gency cases. Ordinary pills, cathar-

tics and purgatives are apt to do more

harm than good. They cause griping,

nausea and other distressing after-

effects that are frequently health-de-

stroying and a life lasting annoyance.

We personally recommend and guar-

antee Rexall Orderlies as the safest

and most dependable remedy for con-

stipation and associate bowel disor-
